would want to use this book as a teacher in my classroom by using it as a foundation to help look into the past and see what was done both the good and bad during this era and help students open their eyes to see that the issues that African Americans had to face are still existing in today's society; the same issues but differently presented. She looked at him strangely, head tilted, as though he were some manner of creature she had never before encountered, and was not certain that she liked.
