Will is a chosen one of sorts, one of the few that can battle the powers. For example, in zoning for the city of New York "would permit It was common practice and, unfortunately, is still the practice in many communities today, to zone ribbons of land along all major suburban roads at a depth of feet for commercial use.

It flashes to the Korean War, when the aimless orphan seizes the chance to reinvent himself. As with all poetry, your interpretation is valid as long as you can back up your ideas. He cannot use free will to override or control what subconscious parts of his brain have decided to. I received a free copy of this book via books and am voluntarily leaving a review.
