I felt a deep physical sense of being suffocated and constricted. I couldn't find the publisher's reference, but I'm sure it was translated to English cause I found .

Heart Waves: An Inside-Out Personal Development Journey

Abandoning the beaten track, I then struck homewards through the fields; not that the way was very much shorter, but rather because on that route one avoided the bridge, and had to splash through the stream and get refreshingly wet. However to optimise their health we need to recognise that they are first and foremost carnivores with omnivorous abilities.
